

MEDICAL SERVICES AND FIRST AID

HAZARD	Satisfactory	Needs Attention	Target Date of Correction	Date Corrected
Is there a hospital, clinic, or infirmary for medical care in proximity of your workplace?				
If medical and first aid facilities are not in proximity of your workplace (more than 15-20 minutes away), is at least one employee on each shift currently qualified to render first aid?				
Are medical personnel readily available for advice and consultation on matters of employees' health?				
Are emergency phone numbers posted?				
Are first aid kits easily accessible to each work area, with necessary supplies available, periodically inspected and replenished as needed?				
Have first aid kit supplies been approved by a physician, indicating that they are adequate for a particular area or operation?				
Are means provided for quick drenching or flushing of the eyes and body in areas where corrosive liquids or materials are handled?
